

Summer Lessons at The Music House!

Our 2019 Summer Session begins the week of June 10th. Please see below for more specifics on dates, as well as details for each of the summer offerings:

Private Lessons ~ \$200.00

Available for voice, piano, guitar (acoustic, classical or electric), mandolin, banjo, ukulele, trombone & violin (tuition for the violin is \$170 for the summer). Our summer session is very flexible! It is geared toward accommodating the student's summer schedules, and therefore runs a little differently than our school year lessons. The summer session begins the week of June 10th and runs through August 16th. **Cost is \$200 for the entire summer.** This includes 8 thirty minute lessons. Lessons meet once a week over the course of 10 weeks (you choose the two lesson weeks you would like off without paying for those lessons). Lesson day and time remain the same each week. For older/advanced students, 45 minute lesson times are available at the cost of \$300 for the summer.

Intro to Voice ~ \$100.00

Great for first-time voice students! This is a series of 4 thirty-minute private lessons that are scheduled throughout the course of the summer, designed to introduce the student to the basics of voice lessons. The cost is \$100, plus the cost of any music. Students will be taught basic vocal warm-ups and breathing technique, and also work on one or two songs. This is a great choice for students who would like to try out voice lessons without committing long term. If you've wanted to give your singing voice a little formal training, this is your chance!

Voice/Piano Combination Lessons ~ \$300.00

This series of summer lessons is for the student who would like to study both piano and voice. Lessons are 45 minutes long and meet once weekly 8 times during the summer over the course of the 10 weeks (you choose the two weeks you would like to take off). The first 25 minutes of the lesson will be spent on piano, and the remaining 20 minutes of the lesson will be devoted to studying voice. This is perfect for younger students or students who are already studying one of these instruments and would like to add the other. Please note: this is not recommended for more advanced/older piano or voice students, as they should continue with at least 30 minutes per instrument.

Intro to Banjo ~ \$110.00

For those who have always wanted to try out banjo lessons, this is a great opportunity! This is a series of 4 thirty-minute private lessons that are scheduled throughout the course of the summer, designed to introduce the student to the basics of playing the banjo. The cost includes the beginning banjo instruction book (which the student will keep), but students are required to provide their own banjo for lessons and practice.

***Please add a \$10.00 summer registration fee to the above prices if you are a new student. Current students at The Music House do not need to pay a summer registration fee, as it was included in your yearly fee paid in September.**

The deadline to register is May 31st.

****Please add a \$10 late fee if registering and paying after the May 31st deadline.**
