

Summer Lessons at The Music House!

Our **2025 Summer Session** begins the week of June 9th. Please see below for more specifics on dates, as well as details for each of the summer offerings. Please note that our prices will be permanently going up after May 31st. To lock in the current prices (reflected below), please pay in full by May 31st:

Private Lessons ~ \$220.00

Available for voice, piano, guitar (acoustic, classical or electric), bass guitar, mandolin, banjo, ukulele, trombone, harp or flute. Our summer session is very flexible! It is geared toward accommodating the student's summer schedules, and therefore runs a little differently than our school year lessons. The summer session begins the week of June 9th and runs through August 15th. **Cost is \$220 for the entire summer.** This includes 8 thirty minute lessons. Lessons meet once a week over the course of 10 weeks (you choose the 2 lesson weeks you would like off without paying for those lessons). Lesson day/time remain the same each week. For older/advanced students, 45 minute lesson times are available at the cost of \$330 for the summer.

Intro to Voice ~ \$110.00

Great for first-time voice students! This is a series of 4 thirty-minute private lessons that are scheduled throughout the course of the summer, designed to introduce the student to the basics of voice lessons. The cost is \$110, plus the cost of any music. Students will be taught basic vocal warm-ups and breathing techniques, and also work on one or two songs. This is a great choice for students who would like to try out voice lessons without committing long term. If you've ever wanted to give your singing voice a little formal training, this is your chance!

Voice/Piano Combination Lessons ~ \$330.00

This series of summer lessons is for the student who would like to study both piano and voice. Lessons are 45 minutes long and meet once weekly 8 times during the summer over the course of the 10 weeks (you choose the two weeks you would like to take off). The first 25 minutes of the lesson will be spent on piano, and the remaining 20 minutes of the lesson will be devoted to studying voice. This is perfect for younger students or students who are already studying one of these instruments and would like to add the other. Please note: this is not recommended for more advanced/older piano or voice students, as they should continue with at least 30 minutes per instrument.

Intro to Banjo, Ukulele or Mandolin ~ \$110.00

For those who have always wanted to try out any of these three instruments, this is a great opportunity! This is a series of 4 thirty-minute private lessons that are scheduled throughout the course of the summer, designed to introduce the student to the basics of playing either the banjo, ukulele or mandolin. Students are required to provide their own instrument for lessons and practice.
